Dear ~~Mr. Warnick~~:

Re: Revised Reclamation Contract and Bond Form, Great Salt Lake Minerals and Chemicals Corporation, Little Mountain Plant, M/057/002, Weber County, Utah

Attached are the revised copies of the Reclamation Contract and Bond Form for your operation. Please complete both documents and return them to this office no later than September 25, 1989. This deadline will allow the Board time to consider the form and amount of surety, in order to render a decision during the September 28, 1989 Board briefing session.

Thank you for your patience in this matter. Your inquiries to the Bond language have caused the Division to implement revisions that will be attractive to future operators and surety companies.

Sincerely,

Scott Johnson
Reclamation Engineer
